**Petition to Withdraw Holding of Abandonment Based on
Failure to Receive Office Action (see MPEP §711.03(c) II)**

Dear Sir:

Applicants' attorney hereby petitions that the holding of abandonment in the above-identified application be withdrawn because the Office Action and due-date restart notice therein was not received.

Applicants' attorney attests that he has searched the file jacket of the above-identified application and that he has had the Avaya Docket Administrator search the docket records, and that these searches indicate that the Office Communications were not received. A final Office Action was allegedly mailed on November 10, 2003, and a due-date restart notice was allegedly mailed on December 8, 2003, therefore making the response to the Office Action due on March 8, 2004. A copy of the attached Avaya Case Record Listing, which is the docket record for the case, shows by the absence of a Diary Due Date for a Response to Office Action that the Office Communications were not received.

No fee is required with this petition. Please charge any fees due with this petition to Avaya Deposit account no. 501602.

Respectfully,

David Volejnicek
